

Huntsville Lacrosse Club Sponsorship

We are so excited to be starting our fourth season of Lacrosse in the Greater Huntsville City Community. Lacrosse is such a fun sport to watch and provides youth in our community the opportunity to play the fastest sport on 2 feet. *Lacrosse is also the fastest growing sport in the US with 2 premier professional leagues, national coverage on ESPN, and recently added to the 2028 Olympics which will take place in Los Angeles, CA.* We are continuously growing the sport here in Huntsville with participation at all ages in our boys and girls youth lacrosse programs.

Our Club aims to:

- Provide youth lacrosse players an environment that teaches skills, builds character, develops self-esteem, encourages and values team play, demands respect and promotes good sportsmanship
- “Honor the Game” of lacrosse by instilling values of scholastic achievement, sportsmanship, goal setting and team work
- Help promote and support the growth of Lacrosse throughout the Tennessee Valley

In our first three seasons we supported over *200 Athletes* during our Fall, Spring, and Summer programs. These programs included Free Learn to Play Lacrosse clinics, Fall Ball, Summer Play Days, and Spring Season. In addition we have partnered with professional lacrosse athletes to host clinics and camps for our community, with stars like PLL MVP Matt Rambo and Nike sponsored athlete Tari Kindemiri.

Since Lacrosse is not a sanctioned sport yet, we are unable to have financial support from the local schools to help cover costs. Our All Volunteer organization has done a tremendous job to keep costs low and provide scholarships and discounts to accommodate players across our community. If we want to continue to keep our players' costs low and grow our program, we need the support of local businesses and community organizations like YOU.
